U.O. to F.D. dt 21 Aug. 1936.

Compensatory Allowance;

Grant of - to the Executive Engineer, Thana Division, and Assistant Engineer in charge of the Thana Sub-division.

Government of Bombay.
Public Works Department.
Resolution No. 63/36.
Bombay Castle, 21st January 1938.

Memorandum from the Executive Engineer, Thana
D1 Division, No. 12073, dated the 30th September 1937.

Forwards letter No. D/17, dated the 24th September 1937, from the Assistant Engineer, Thana Sub-division, addressed to the Superintending Engineer, Northern Circle, as under:-

" I have the honour to state that since my taking over charge of the Thana Sub-Division, (September 1936), I have been occupying Assistant Engineer's bunglow in the Kopri Colony at Thana. This bungalow has been treated as an official residence of the Assistant Engineer in charge of the Thana Sub-Divsion(vide Government No. 7962/27-A, dated 6th July 1936, * copy attached herewith for ready reference). According to the provisions contained in Rule 2, appendix 14 to the Public Works Department Manual, 'a Government servant, no member of whose family as defined in paragraph 301 resides with him will draw compensatory allowance only when he is declared by Government to be compelled to maintain a separate residence of his own or holds a post to which Government declare a specified official residence to be attanhed, provided in both the cases that the residence is actually maintained.' For the first few months

since....

since my coming to Thana, no member of my family was residing with me, but as I had actually maintained a xresidence and as the bungalow I was occupying was being treated as an official residence of the Assistant Engineer in charge of Thana Sub-Division, I have drawn the Compensatory allowance for that period. As the bungalow has been assigned as the residence of the Assistant Engineer in charge of Thana Sub-Dixx Division, I would have been complled to pay rent under Rule 8 of Appendix 33 if the Public Works Department Manual since the date of my taking over charge of the Sub-Division. But the Accountant General, Bombay, has pointed out in his No. G-III/B.S.E./939, dated 7th July 1937 (copy attached) that the intimation about the occupation of Assistant Engineer's Bungalow in Kopri Colony, contained in Government No. 7962/27 -A, dated 6th July 1936, does not mean that Government have declared that I have been compelled to maintain a residence of my own or I hold a post to which a specified official residence is attached. He has x further suggested that steps may be taken to obtain specific orders of Government in the matter to have the post of Assistant Engineer or Sub-Divisional Officer in charge of Thana Sub-Division, Thana, to be includedx in Annexure E to Appendix XV to Bombay Civil Services Rules Manual Volume II. I would, therefore, request you kindly to move Government to include the post of Assistant Engineer or Sub-Divisionsl Officer in xxxx charge of Thana Sub-Division, Thana, to be included in Annexure E to xx Appendix XV to Bombay Civil Services Rules Manual- volume II. "

The Executive Engineer adds as under:- D2

" x x x

"2. The incumbent of a post for whom residence has ....

has been made available shall be considered to be in occupation of the residence during the period of the incumbency of the post unless specially exempted by Government, vide rule 834 of Bombay Civil Services Rules. Not printed.

"3. It has been pointed out above that the Sub-Divisional Officer, Thana, is provided with Government quarters in the Kopri Colony and as such rent would have been recovered form the Assistant Engineer whether he occupied the quarter or not, unless specially exempted by the Government and it was therefore incumbent on the Sub-Divisional Officer to reside in the quarters allotted to him.

"4. In view of this, it is requested to move Government to include the Assistant Engineer in charge of Thana Sub-Division in Annexure E to Appendix XV to Bombay Civil Services Rules.

"5. Similar is the case of the Executive Engineer in charge of Thana Division and it may be included in Annexure E referred to above.

"6. It may be pointed out here that the personal Assistant to the Collector of Thana and two prant Officers were included in Annexure E in the similar circumstances, vide Government Resolution, Revenue Department, No. 5962/33, dated 9th October 1936, (copy attached for ready reference)."

D3 Endorsement on the above by the Superintending Engineer, Northern Circle, No. G. 105/7715, dated the 18th October 1937, as under:-

"Forwarded, with compliments, to Government with a recommendation that in the Circumstances reported by the Executive Engineer, Thana Division and the Assistant Engineer, Thana Sub-Division may be included in Annexure E to Appendix XV to Bombay Civil Services Rules Manual, Volume II."

Resol.....

RESOLUTION - The Governor of Bombay is pleased to direct that the Executive Engineer, Thana Division, and the Assistant Engineer in charge of the Thana Sub-division should be included in Annexure E to Appendix XV of the Bombay Civil Services Rules Manual, volume II.

2. The requisite correction slip to the Manual will be issued separately.

By order of the Governor of Bombay,
